Academy at the Farm TUTORING

WE HELP YOUR STUDENT SUCCEED.

WE HAVE TUTORS FOR ALL GRADES

Is your student struggling with homework, test taking, or confidence in their abilities?

We offer personalized tutoring to meet your student's needs. We know every student learns somewhat differently from their peers. Our certified teachers are subject matter experts at encouraging kids to work hard towards goals which they set for themselves and building a positive self image where they can feel included during class.

GRADES K-2

Mathmatics, Science, Social Studies, Reading, Writing, and General Homework, Help.

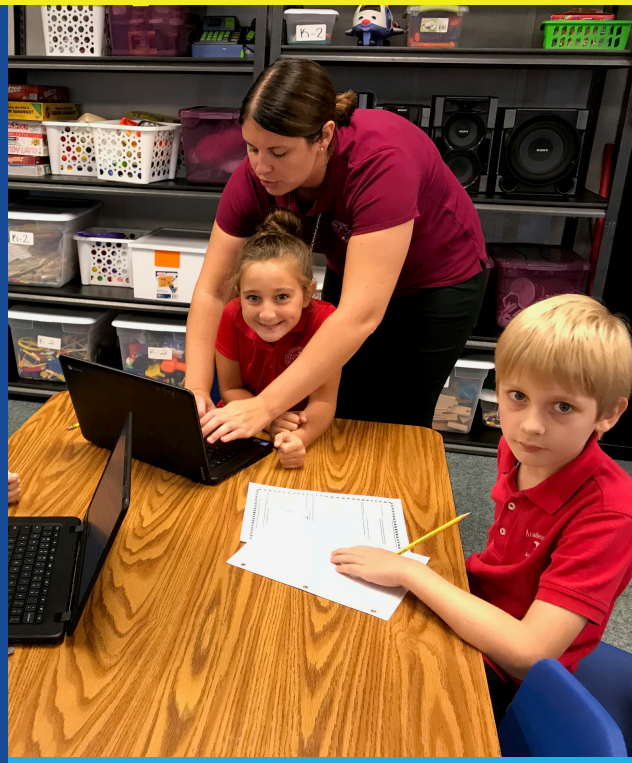
GRADES 3-5

Mathmatics, Science, Social Studies, Reading, and General Homework Help.

GRADES 6-8

Mathmatics, Pre-Algebra, Algebra, Science, Social Studies, General Homework Help.

FSA PREPARATION FOR ALL GRADES



DOES YOUR CHILD STRUGGLE IN SCHOOL?

Support: Students need support to achieve success. They need to "Own It", to own their education. Our program can help support your student while they learn how to seek out appropriate support form peers, teachers, and family members. Learning how to think like an owner will translate into better critical thinking and decision making skills, and ultimately push students to try harder and achieve great things during their time at AATF.
